

DISCIPLES CENTER for PUBLIC WITNESS

A Personal Message from Chris Hobgood President of the Disciples Center for Public Witness

Like many of you, I oppose the war in Iraq and believe the best way to support our troops is to bring them home soon.

If you agree with me, please sign a petition calling for the end of the Iraq War and for creative solutions to achieve peace in the Middle East.

By joining our voices with our ecumenical and interfaith partners, we strengthen the faith-based movement for peace in the Middle East. By speaking out as Disciples, we let the world know that we, too, wish to be counted as part of the faithful opposition to this war.

So please join me and other Disciples in making this important statement by signing the petition below.

END THE WAR IN IRAQ!

With many other people of faith, I am praying for our troops, their safe return, and an end to the war in Iraq. As a Christian and a patriotic American, I strongly believe the best way to support our troops is to bring them home soon.

I therefore join my voice and my name with other Disciples, the United Church of Christ, other Christians, and other people of faith and conscience throughout the world who call for an end to the war in Iraq.

Instead of war, I support diplomacy and other constructive policies that can end the death and violence in Iraq and lead to a lasting peace throughout the Middle East.
