

THE CHARLES HARVEY and MAY SWEET LORD JUSTICE ACTION FUND

The Charles Harvey and May Sweet Lord Justice Action Fund is a fund established by the Disciples Justice Action Network. The fund is named after the Lords as a way of remembering Harvey and May for all they did for DJAN, as well as their many years of work on behalf of the larger movement for justice, peace, and diversity.

Financial gifts to the Lords Justice Action Fund will be used to promote the work of DJAN and its coalition partners, and to provide resources for progressive public witness and justice action by current and future Disciples leaders in seminaries and schools throughout the US and Canada.

Why Support the Lords Fund?

- ✓ To **remember Harvey and May**, celebrate their many years of work on behalf of justice and peace, and honor them for their leadership as founders of DJAN.
- ✓ To help Disciples keep alive **a passion for justice** within the Christian Church (Disciples of Christ).
- ✓ To **support the work of DJAN** and its coalition partners as we work together to promote greater justice in our church, our nation and our world.
- ✓ To **provide resources for seminarians** and other students—*especially women and persons of color*—to participate in justice-oriented events and gatherings, and to pursue their call to ministry in justice-oriented organizations.

WHY SUPPORT THE FUND NOW?

Because now and in the years to come, we need **a strong voice** for prophetic witness and justice advocacy within our denomination.

Because now more than ever, in this time of deception, division, and dehumanization, we very much need **progressive Disciples leadership** helping organize and guide those ecumenical, interfaith, and religious-secular coalitions in which people are working together to build the Beloved Community envisioned by Dr. King.

Because we need to help current and **future Disciples leaders and activists** get more involved in justice issues – and we need to do it ***now***.
