

THE CHARLES HARVEY and MAY SWEET LORD JUSTICE ACTION FUND

The Charles Harvey and May Sweet Lord Justice Action Fund is a fund established by the Disciples Justice Action Network. The fund is named after the Lords as a way of honoring them for all they have done for DJAN, as well as their many years of work on behalf of the larger movement for peace and justice.

Financial gifts to the Lords Justice Action Fund will be used to promote the work of DJAN and its coalition partners, and to provide resources for progressive public witness and justice action by current and future Disciples leaders in seminaries and schools throughout the nation.

Why Support the Fund?

- ✓ To **honor Harvey and May Lord** for their many years of work on behalf of justice and peace, and to thank them for their leadership as founders of DJAN.
- ✓ To help Disciples keep alive a voice for justice within the Christian Church (Disciples of Christ).
- ✓ To **support the work of DJAN** and its coalition partners as we work together to promote greater justice in our church, our nation and our world.
- ✓ To **provide resources for seminarians** and other students—*especially women and persons of color*—to participate in justice-oriented conferences and pursue their call to ministry in justice-oriented organizations.

WHY SUPPORT THE FUND NOW?

Because now and in the years to come, we need a strong voice for justice education and justice action within the Christian Church (Disciples of Christ).

Because now more than ever, we need a strong Disciples voice for justice, peace and inclusivity in the ongoing national debate about faith and values.

Because we need to help current and future Disciples leaders and activists get more involved in justice issues – and we need to do it *now*.

**Your generous financial gift
will help us keep alive
